20th September 2022

Dear Parents and Pupils,

We are looking forward to welcoming our Wendon families, extended families and friends to our Art Evening on Friday. We know that you will all be blown away by the magnificent Art and Practical Masterpieces which will be on display in the hall. A reminder has been sent out to each family, should you have not replied to the invitation please remember to book your places using the reminder.

See you all on Friday for a most enjoyable evening.

A little bit of trivia for you, the 22nd of September is World Rhino Day.

Aren't we blessed to have the privilege of having the White and Black Rhinos in our country?

At the beginning of the 20th Century, 500,000 Rhinos roamed Africa and Asia. Today around 27,000 Rhinos remain in the wild with this number dwindling daily.

WWF plays a vital role in the fight to protect the Rhinos. They secure and protect Rhino populations by establishing new populations through translocations. Their never-ending battle is against poaching and illegal trade. To see these beautiful animals in the wild is an experience like no other as they share their habitat with a multitude of other plant and animal species.

What would this world be like without all our magnificent animals that roam the lands of Africa?

We give thanks to the many organizations that work tirelessly to protect and preserve these magnificent creatures so that generations to come will still be able to enjoy them.
