

**WELCOME TO
WATERFALL KENNELS 2021 HIGH SEASON DECEMBER BOOKINGS.**

**PLEASE DO NOT MOVE TO THE NEXT SECTION UNTIL YOU HAVE READ AND CLEARLY UNDERSTOOD OUR
HIGH SEASON POLICY, PRICING AND RECOMMENDATIONS!**

1. Our high season period extends from the 10/12/2021 to 10/01/2022.
2. For all pets accommodated over this period Waterfall Kennels charges a **"high season rate"**.

Our sharing rate is **R190.00/dog** for family dogs being accommodated together.

Our companion sharing rate/night for a giant breed is **R200.00**, for a large **R180.00**, for a medium **R170.00** or **R150.00** for a small breed type. Companion sharing references your 'well socialized' dog sharing with another unrelated but 'equally well socialized' new friend.

Certain breed types are not automatically considered suitable for sharing unless they are boarded with a family member. These would include very often Pit Bull Terriers, Rottweiler's, Bull Terriers, Staffies, Dobermans, Giant Schnauzers or German Shepherds. These breeds, regardless of their apparent good nature at home are not always happy bed fellows in a busy kennel environment. These boarders may incur the full R 380.00/kennel/night rate - and at our discretion.

Waterfall Kennels has very successfully accommodated several often unrelated breeds together. Although less expensive this option is not without risk! Companion sharing needs to be carefully considered and it's on your word that we assume your dog will share happily with others. Please be aware though that we will use our discretion and if necessary charge the full R 380.00/night for 'on own' boarding if there is any sign of aggression between your dog and others.

All flat faced breeds like Pugs, Peke's or Boston Terriers are kept together as these types have no real means of defense when ganged upon. Jack Russell Terriers, Maltese Poodles, Miniature Dachshund's etc. will also where possible not be shared amongst other breeds.

When making the decision to companion share your dog with others please also consider their usual eating habits, as separating dogs to monitor an individual's feeding over our high season is not easily managed. If you have an old dog that eats very slowly or perhaps even a younger shy dog who may hang back when the food is presented we suggest you consider non-sharing accommodation.

- **Cat sharing policy:**

Our cattery can accommodate a single cat or a maximum of two cats together in any one of our standard facilities. As many as five cats can be accommodated in our limited garden units and all cats - regardless of type are billed at **R140.00/night** over our high season period.

3. ***This year there is a deposit payable of R500.00 for each dog or cat. Prices on application will apply to caged birds, rabbits, guinea pigs or hamsters with a deposit fee of R200.00.***
