So many of us have lost loved ones during the pandemic and while global leaders are talking of the great "reset" of the world as we know it, we at Wendon want to encourage one another to not forget about the importance of family time. Please support this small fundraiser by completing the reply form below.

### TINA COWLEY READING CENTRE

We have attached details of the Tina Cowley Reading Centre below for your information. There is a Reading Centre in Westville and Queensburgh. They have also launched an **Online Reading Therapy programme**, which has allowed children to continue with their reading programme. The feedback from parents with regards to their children's school reports has again been extremely encouraging, despite the upheaval they have experienced with Covid. Scores in all subjects have increased, not just English, which proves that if reading efficiency is on standard, all areas within the academic curriculum improve – as does confidence and self-esteem. They also have a successful **Study Course** to help children find their individual manner to study and retain information according to the child's strengths and preferences.
