

Dear Parents and Pupils,

Can you believe that we are already in the second to last week of Term One?

This first term has really flown by with some lovely activities and events being enjoyed by our learners and staff along the way,

Disruptive Action

KZN is continuously plagued by threats of disruptive action on our national and provincial roads. When one receives the relevant social media, it is always a dilemma as to whether this information needs to be forwarded onto all our parents. At times the event published does not take place and one does wonder if this is once again false information being circulated.

Parents for this reason and to avoid further stress, I ask that each household makes their own decisions regarding bringing your child to school on that day. Should any situation have a negative effect on the school, you will be notified immediately.

Please take special care on the roads, be vigilant and remain safe.

Please Respect Our Neighbours

A reminder to all parents and lift schemes, please respect our neighbours and refrain from blocking their driveways. We are very conscious that our school is in a predominantly residential area and we would like to keep our relations with the neighbouring homes on a positive note.

Thank you, your assistance in this matter would be appreciated.

Our Grade 12 class will be attending a Leadership Development Course in Shongweni next week.

We know that they will benefit tremendously from this experience and that they will make us proud.

We will be holding a Multi-Sports Day on Breakup Day and we will end off with a lovely Ice Cream Cone.

Parents are welcome to join in for the morning to watch the fun around the school.

Starting time will be 08h30 to 11h00.

School will close at 11h30

More details will follow.

Calendar of Events

March
