

Dear Parents and Pupils,

We have been doing revision for the up and coming examinations and tests which start this week. We urge our parents to please make sure you drop your children off at school well before the bell goes. This will keep your child from being in a state before having to sit down for their exam. Time tables below. After the exam, children who are in lift clubs or collected later will be accommodated in the classroom to learn before being collected. Please pack a lunch/juice should this happen.

HEAD COLDS

We have noticed an increased number of pupils with head colds. Please parents, if your child is presenting with a head cold, please keep them at home. We really do not want this spreading through the classroom and school. This is the trend occurring in most schools at the moment. Let us treat and protect all our children going forward into the cooler days ahead. Thank you.

SPELLATHON

We have raised R17 200.00 to date.

The Classes who raised the most money are:

Primary School: Intermediate Class - R4 510.00

High School: Grade 10 - R3 170.00

Mrs Hicks will be personally buying these two classes pizzas to share!

The pupils who raised the most money are:

Primary School: Cameron Whiteford, Intermediate Class - R2 550.00

High School: Darshani Pillay, Grade 10 - R1 750.00

Thank you for your efforts, we are very proud of you.

A special thank you to each and every family who has contributed to our Spell-a-thon.
All the money raised is greatly appreciated.

Primary School Music Appreciation

A Music and Movement lesson was introduced at the beginning of 2021. This has proved popular with the Primary School pupils. They have learnt about the different instruments of the orchestra and been taught basic music rhythms. The focus is now on different music styles and the artists associated with these. The children thoroughly enjoyed viewing videos and learning dance moves for great Rock and Roll songs. They are also making simple music instruments in the workshop.

Last Tuesday the children were entertained by TK on Sax. TK is a local musician who took time out to share his talent with our pupils. They were fascinated by hearing popular songs being played on the saxophone. TK explained how the instrument works and answered the children's questions about how he became involved in music.

Thank you TK for a wonderful music appreciation experience!

Tk on Sax is available for Weddings/Corporate/Private Functions

GIFT OF GRATITUDE - Thursday, 10th June - R20

Wendon Academy has chosen to adopt an 'Attitude of Gratitude' as our theme for break up day.

Gratitude is the best medicine. It heals your mind, your body and your spirit and, attracts positivity that we can be grateful for.

Oprah Winfrey said, "The more *thankful* I became the more my bounty *increased*. That's because - for sure - what you *focus on expands*. When you focus on the *goodness in life, you create more of it*."

We will celebrate break up day in civvies and with yummy donuts. Please complete the reply slip below.
