

10th May 2022

Dear Parents,

We woke up on Friday to a beautiful day which was a true blessing for our Mother's Day Event. Thank you to all our 'Mothers' for making the morning so special. I sincerely hope you felt through your children how amazing you are.

The month of May is always a beautiful time in KZN. Our weather in this month is warm during the days and chilly in the early mornings and evenings. We are experiencing a number of children arriving at school with runny noses, headaches, nausea/vomiting, stomach cramps, and persistent coughs.

Please Parents, should your child present with these symptoms, I request that you keep them at home for a couple of days to recover. By following this, we are on the side of caution, taking into account all our children and staff. Give me a call should you be concerned. Should you suspect that this could be COVID, please notify the school as soon as possible. Thank you.

SPELLATHON

A special thank you to each and every family who has contributed to our Spell-a-thon.

There is still money outstanding and hopefully it will come in this week, but so far

We have raised R10,196-00

REMINDER: Test & Exams

We would just like to remind parents and pupils that in three weeks we will start with tests and exams. We start on the 26th of May through to the 03rd of June.

Parents, this is not the time for any child to stay at home unless due to medical reasons.

Should parents or pupils have any questions regarding the learning material, please send a message in the homework book and the relevant teacher will give you feedback.
