

26th July 2022

Dear Parents,

Good day to all our Wendon families. I am delighted to be back at school and what a beautiful moment it was for me to see our children's faces without masks. Just seeing facial expressions once again brightens the day.

I trust that you all had an enjoyable and restful holiday with your children.

A letter was sent out on the 18th of July informing all parents that it was no longer mandatory for the staff and pupils to wear masks at school. It mentioned, should you prefer your child to be protected by continuing to wear a mask, it would be at your discretion and fully supported by the school.

Regarding further COVID regulations at school, the following will be adhered to each day.

1. The sanitation of hands of the staff and pupils will continue.
2. Desks, chairs, doorknobs, and the general cleaning of the school will continue with surface disinfectant.
3. The playground protocols will be changed slightly with the importance of maintaining social distancing.

The school continues to be aware that COVID is very much still here and the world continues to face an unprecedented pandemic, therefore, we will continue to place the importance of safety at the centre of each day.

Parents, I request that should your child present with allergies or slight cold symptoms, masks need to be worn to school, or your child needs to stay at home until they feel better.

Enjoy our 3rd Term as we look forward to the Wendon Ball, Spring Day of fun and our magnificent Art evening will be back once again.

On Friday we prepare to say our final farewell to Mrs. Gooding. A very sad day for us all.

Thankfully we are filled with beautiful memories that will remain with us for years to come.

You will be missed Mrs. Gooding and thank you for the richness of your friendship.

Calendar of Events
